CLOSING DATE: Friday 9th February 2018

Places for the Nursery are normally allocated by the end of April. If you have not heard from the school by then, please telephone in May.

Children born between 1st September 2014 to 31st August 2015

CRITERIA FOR ADMISSIONS IS AS FOLLOWS:-

- Children with special educational needs identified through a statement issued under the Education Act 1996 which names the school, or children in care of the local authority, or who are subject on an Education Supervision Order under the Children Act 1989 which names the school.
- Children whom the Director of the Children's Service accepts have an exceptional medical, social or educational need for a place at the school. Applications will only be considered under this category if they are supported by a written statement from a doctor, social worker or other appropriate professional. In each case, the connection between the child's need and the specific school applied for must be clearly demonstrated.
- Children who will have a brother or sister attending the school at the time of admission. The category includes foster brothers and sisters, half brothers and sisters or stepbrothers and sisters. Parents/carers should note that in all these cases, the brother or sister must be living at the same address as the child for whom the application is being made.
- To ensure, as a school, we are able to maintain an outstanding quality of teaching, the allocation of a nursery place to a member of school staff will also be considered.
- Children living closest to the preferred school. (Distance measured by straight line using a computerised mapping system.)

The tie-breaker for all criteria is children living closest to the school (measured in a straight line using a computerised mapping system).

The school is planning to offer 30 places for 30 hours plus and 30 places for 15 hours. This is subject to change based on demand. All places offered will follow the above criteria for admissions.
