

Hello everyone!

I have had the pleasure of meeting many Rhodes children and parents over the last 3 years. For those who don't already know me my name is Karen Joy Lever and I am an accredited (BACP and UKCP) Child Psychotherapist. I work for *ChildinTime* – a school counseling service and I am at Rhodes on Thursdays.

There are times in children's lives which can be unsettling or upsetting and sometimes they have difficult feelings which they may need some help with. I offer arts and play as a safe, fun and creative way to express those feelings.

As well as sessions with children I also have a morning space after drop off for parents who want to have a chat about parenting issues they may want help with. Please ask Emel Ali if you would like to make an appointment to meet me.
