

Spellings

This week we would like the children to revise some more common spellings, they should already know. We have also been working on words with the sound 'ay /ai' that are spelt 'ei'.

Reading

Just a note to remind parents that book bags should be brought to school on Thursday so that the children have the opportunity to change their library book. Please encourage your child to write a short critique or synopsis of their chosen book!

Home learning

28.9.18

MATHS: This week we have built up to this method using practical resources as shown below. This might help as a reminder for your child and represents the problems visually.

135 + 128 solved on a calculation mat - using dienes.

Hundreds	Tens	Ones

Here are some examples

setting out our work in class - remember

$$\begin{array}{r}
 136 + 245 = 381 \\
 100 + 30 + 6 \\
 200 + 40 + 5 \\
 \hline
 300 + 80 + 1 \\
 \hline
 - 10
 \end{array}$$

147 + 139 writing digits and crossing the tens

Hundreds	Tens	Ones
100 +	40 +	7
100 +	30 +	9

y.

$$\begin{array}{r}
 \boxed{200} + \boxed{80} + \boxed{6} = \\
 - 10 \\
 \hline
 0 + 70 + 6 \\
 200 + 90 + 1 \\
 \hline
 - 10
 \end{array}$$

Please solve these calculations, setting your work as shown above.

Children should choose only one of Mild, Spicy or Hot:

A - Mild

$$\begin{array}{l}
 28 + 31 = \\
 53 + 62 = \\
 83 + 54 = \\
 37 + 52 = \\
 \text{Challenge:} \\
 232 + 124 = \\
 234 + 323 =
 \end{array}$$

B - Spicy

$$\begin{array}{l}
 128 + 231 = \\
 475 + 262 = \\
 283 + 544 = \\
 327 + 452 = \\
 \text{Challenge:} \\
 137 + 229 = \\
 245 + 328 =
 \end{array}$$

C - Hot

$$\begin{array}{l}
 254 + 135 = \\
 116 + 329 = \\
 338 + 225 = \\
 408 + 136 = \\
 \text{Challenge:} \\
 517 + 39 = \\
 465 + 28 =
 \end{array}$$
