

A great end to our first half term but a sad goodbye to our topic. As always, Year Two have been working hard and busy. We started the week planning, then writing up our recipes to our sandwiches done previously. Throughout the week we have worked on measures in maths, as well as doing some assessment tasks to see how we are going. All along with art, Forest Schools and PE made this a great week to finish, everyone deserves a holiday!

Spellings

Rule:

The **or** sound spelt with an **a** before **ll** or **l**.

Words we are looking at next half term/week are:

ball walk
wall talk
hall always
small was
called because

Mathletics

A reminder, starting from the first week after half term we are launching Mathletics! Mr Taylor will be giving a talk on Tuesday 30th of October from 3:00pm to 3:25pm in Witham Hall for parents and the children will be having a special assembly on the following Thursday. Stay tuned for details and log ins!

More maths!

In maths, we have been looking at strategies for addition and subtraction for a lot of this half term. Can you solve five sums? More details on the next page.

Learning Look

Parents and carers are invited to our first *Learning Look* on Friday, 9th of November between 9:00am and 9:20am in their child's classroom. This is an opportunity to look at your child's progress in Maths and English before parents evening the following week.

Have a great half term!

Sarah Chambers, Amber Bowrey and Cameron Taylor

Taken from the pages of our very own warm ups, can you complete five of these sums?

Mild	Spicy	Hot!
$5 + 1 =$	$7 - 2 =$	$87 - 22 =$
$3 + 1 + 7 =$	$22 + 5 =$	$23 + 12 =$
$8 - 2 =$	$32 - 20 =$	$95 - 30 =$
$25 + 1 =$	$26 - 7 =$	$685 - 322 =$
$23 - 2 =$	$53 + 23 =$	$527 + 322 =$

Take it away...or
add!
