

19.10.18

This week we have been assessing the children's learning and thinking about what we have learnt during our first half term. The children have been reflecting on the exciting topics we have been learning about and discussing the things they have enjoyed.

Reading

We look forward to hearing all about the wonderful books that the children have been reading over the next week!

Topic

After half term, we would like to invite children to present a short piece about where their family originates. This is linked to our topic work on 'Learning from others' and can be in any format the children wish. It is an optional home learning project. Last year the children found it extremely interesting to share this information.

Half- term break

We have had a wonderful time getting to know your children and they have worked really hard in all areas. Thank you all for your continued support. We hope you all enjoy your half term break and the children enjoy a well earned rest! We look forward to seeing you back at school on Tuesday 20th October for an exciting new half term.
