

Wow, what a start! We have been so impressed by how well the children have begun the half term. We have commenced our new topic, *Snap, Crackle and Pop!* Looking at different materials in science, (snap), *The Great Fire of London* in history (crackle) and we are all reading George's Marvellous Medicine together in reading lessons (pop!).

### Spellings Rule:

The **y** sound at the end of words.

**Words we are looking at next week are:**

by sky  
my July  
reply fly  
try rely  
why butterfly

### Maths

As you may have heard Rhodes Avenue are participating in Mathletics. Log on each Thursday with your log in cards to try out tasks your teacher has set.

### Invitation to our Learning Look

Parents and carers are invited to come into the classrooms on Friday 9<sup>th</sup> November from 9:00am till 9:25am. During this time you will have the opportunity to look at their Maths and English books and the children will share their work with you. You are welcome to leave a comment with our special pens just for parents!

### Forest school

Just another reminder that children need to come appropriately dressed on a **Thursday** for forest school now the months are getting colder.

### Christmas Show

The Infant Christmas Show is on the 23<sup>rd</sup> of November, and already the children are learning their songs. Teachers will be meeting with parents soon about costumes and the children will be taking their scripts home next week to practise their line, (all Year two children have a line in the show as well as songs!).

*Amber Bowery, Sarah Chambers and Cameron Taylor*
