

It's here! The Year Two Christmas Show has arrived! Year Two have been busily preparing their lines and practising their songs ready for their big day next week. It hasn't been all show though, we have also been learning multiplication in Maths and examining newspapers in English, as well as more materials work in Science, examining language linked to it.

### **Spellings Rule:**

We are again revising the common exception words for Year Two. A full list of these can be found on our Year groups' webpage.

### **Words we are looking at next week are:**

put        should  
said      so  
say        some  
school    steak  
she        sugar

### **Maths**

Mathletics time! We have been looking at multiplication, try out the mathletics activities on this at home.

### **Christmas Show!**

It's one week to our Christmas Show! The show is on Friday the 23<sup>rd</sup> of September. Morning session starts at 10:00am, Afternoon session commences at 2:00pm. If costume could be in asap that would be helpful. Any queries, see your class teacher and enjoy the show!

### **Forest school**

Just another reminder that children need to come appropriately dressed on a **Thursday** for forest school now the months are getting colder.

### **Learning Look**

Thank you to the parents and carers who came to our Learning Look. The children really enjoyed showing off their English and Maths and we look forward to showing off their progress at the next one.
