

This week we have well and truly got back into the swing of things after what was a really fantastic show last week. We would like to say a massive thank you to how well the children performed and their maturity towards doing all the shows, as well as to parents for their support and snazzy costumes! It was a very busy but happy week!

Spellings Rule:

Now we have finished looking at all our common exception Year Two words it is time to get exploring different spelling rules. This week's spelling rule is the **or** sound spelt **all/al**.

Words we are looking at next week are:

ball
wall
hall
fall
small
call
walk
talk
always
altogether

Maths

We have moved onto looking at division this week and making comparisons between that and multiplication, try out the mathletics activities on this at home.

Great Fire Of London

Next week we will be looking closely at what the houses looked like before the great fire of London. If you have any spare or empty cardboard boxes at home such as parcel boxes, cereal boxes or shoe boxes please can you bring them in before Wednesday for the great event!

Horrible Christmas Trip.

On Friday 14th December we have a very exciting trip planned to Alexandra Palace to watch the production of Horrible Christmas. This is a great opportunity to visit the newly refurbished theatre and learn about the history of Christmas. A letter will be emailed detailing payment and further information. Due to ticket restrictions sadly we are unable to bring along any parents to this event but stay tuned for further events.

Amber Bowrey, Sarah Chambers and Cameron Taylor
