Autumn 2 week 1

Welcome to Autumn 2 – our new topic is **Learning from Others**. The children thought critically about the things that are important to them; who influences them and what is important to everybody on a larger scale.

English

This week the children have started reading *Mouse Bird Snake Wolf* by David Almond – this text will provide stimulus for deeper thinking related to our new topic. The children will be building up to writing their own version of the story.

Adverbs

We have revised adverbs with the children. If the children would like to investigate further at home please click on the links below:

Maths

All children have a Mathletics log in and have logged in with their teacher at school. Please feel free to let us know how they get on at home. There will be more opportunities in school over the forthcoming weeks for the children to familiarise themselves with the website.

Science

Wednesday 7th November – Science Spectacular 3:30pm - 4:30pm – children exhibiting have already been informed and were randomly selected.

Thursday 8th November – the Year 3 Science Spectacular **open to all Year 3** children 1:45pm – 2:15 pm.

Learning Look – Parents are invited to a Learning Look on Friday, 9th of November, 9:00 to 9:25. This is for Maths and English Books as it will be nice for the children to share some of their recent learning before Parents' Evening.

As always if you have any questions, please do not hesitate to have a chat with your class teacher.
