

This week we have been working really hard both inside and outside of the classroom. Rehearsals are fully underway for our Christmas Production next Friday – the children are so excited to perform! We had a rehearsal on Thursday afternoon and the children did an absolutely amazing job. This week we've had parents / carers evenings too – it has been such a pleasure to properly meet you and all and discuss your wonderful children.

Spellings

This week we have included a keyword word search for your child to print at home and complete. It would be lovely to see the children using these words in their writing.

Maths

In maths, we have been looking at 2D shapes – we have described the shapes using their properties and compared each shape with another. We even went on a shape search around the school – do you know what shape the table is in the library?

Reading

Just a note to remind parents that book bags should be brought to school on your child's reading day and will be returned the following day. As we move through the year you may notice some repetition with the phonics books – this is a chance for the children to consolidate certain sounds at home. Please record your child's home reading in their reading diary each week.

Phonics

The children are enjoying their guided phonics session – they will tend to work on the same sound each week. On the school website you will find the 3 speed sets – you could use these to recap the sounds your child has already learnt. Your child could also look for their weekly sound in different places at home e.g. **ar** – **car**.

Things to remember.

Monday 19 th November	All costumes to be in school clearly labelled
Friday 23 rd November	Christmas production 10am and 2pm
Saturday 1 st December	Christmas Fair
