

Reception Home Learning – Week beginning 10th December 2018

This week:

This week we have been super busy being stars of the stage! We performed our show 3 times this week to a packed crowd each session. Thank you all for coming and being in the audience – the children loved it.

We have been reading Christmas stories and have gone glitter-tastic making Christmas decorations ready for the celebrations.

Our key word is **to** and the children have enjoyed putting it into a sentence.

In maths, we have been looking at numbers, matching quantities to the correct numeral.

Parents' Information:

There will be no homelearning next week. Please bring book bags as usual and we will keep them in class ready for the new term. Please remove any sound sheets or paper work and belongings before returning. Thank you.

Thursday 20th December, 2pm

Reception class parties – *please look out for a sign up food sheet on the classroom door/window*

Friday 21st December

School finishes at 1:30pm

After school club finishes at 3:30pm

Monday 7th January 2019

School begins

Sharing a Story

Practise the sounds your child has been learning in class this week. Say the sound together and then say the word for the picture that is shown. Show your child the letter that makes the sound. They could practise their letter formation as well. Please see your child's yellow reading log book for what they have been doing in class. Feel free to let us know how your child is getting on at home with their phonics by writing a comment in the yellow log book if you wish.

Key word recap. Please practise all the key words we have learnt so far this year.

I, am, and, the, was, my, to

Practical Maths Ideas

Numbers: Matching quantities to numerals

- How many reindeer does Santa have on his sleigh?
- How many presents are under the tree?
- How many candles are on the menorah?
- How many brussel sprouts are you going to have on Christmas Day?
