

This week we have had another fantastic week full of learning. The children have really enjoyed showing off their learning in lots of different ways. We had had lots of opportunities to practise our Christmas songs ready for the festive period.

Spellings

This week we have continued working on our high frequency words – the children are becoming more and more fluent with reading these words. This week the children could try using some of these words in their writing.

Maths

In maths, we have been looking at missing number problems. The children have done a super job of finding the missing number in the problem using a number line. The children had to choose which operation to use and then complete the problem into their books.

Reading

Just a note to remind parents that book bags should be brought to school on your child's reading day and will be returned the following day. As we move through the year you may notice some repetition with the phonics books – this is a chance for the children to consolidate certain sounds at home. Please record your child's home reading in their reading diary each week.

Phonics

The children are enjoying their guided phonics session – they will tend to work on the same sound each week. On the school website you will find the 3 speed sets – you could use these to recap the sounds your child has already learnt. Your child could also look for their weekly sound in different places at home e.g. **ar** – **car**.

Things to remember.

Thursday 13th December

School trip to NHM

Friday 14th December

Infant choir concert at 3pm

Have a lovely weekend,

Meghan Grove, Joanne McGahon and Sophia Papworth.
