Year 3 Home Learning Week 1 Spring 1

English

In English, the children have been investigating Greek Myths starting with Theseus and the Minotaur. The children will be planning and writing their own version of the story next week, before moving onto developing their own myth in weeks to come.

Spellings

We have focused on the 'i' sound spelt with a 'y'. For more information please follow the link: <https://www.bbc.com/bitesize/articles/z3mktv4>

Reading

Please share Greek myths that you enjoyed as a child – please also feel free to share myths that originate from other cultures too.

We highly recommend 'Greek Myths by Geraldine McCaughrean', however there are plenty of other brilliant Greek myths books available.

Reading diaries are due in on Thursday: Please encourage your child to write a short comment themselves about the book/ story they have read. Your child could even leave the teacher a question.

Library

The children should have a library book by Friday – if your child needs to change their book more frequently just ask one of the Year 3 team or Amanda our Librarian.

Maths

This week, the children have investigated reading scales and measuring.

We would like the children to follow a recipe that involves measuring ingredients. Please feel free to send in a photo to go on the classroom wall.

Mental Maths

The children have focused on doubling and halving:
