**Middlesex University
Supporting Children's Mental Health in Schools**

Saturday 2nd March 2019 9.30 – 4.30pm

The conference considers how children's mental health can be supported by education and health services. The event is relevant for staff from primary and secondary schools and other professionals who are concerned with children's mental health and well-being.

Keynote sessions and workshops will explore:

- Different approaches to supporting children's mental health
- Adverse Childhood Events and their impact on children's well-being
- Children's digital lives.

Keynote speakers will include:

- Dr Tracey Cockerton
- Ryan Lowe
- Dr Jacqueline Harding
- Vanessa McHardy
- Nicky Lambert
