RHODES AVENUE PRIMARY SCHOOL

Home learning **12.07.19**

We have had a lovely week; we are enjoying hearing about the adventures of our class Barnaby Bears. Sheena talked to us all about India, we learnt about food, climate and music. In science we became weather reporters and have been observing and recording the weather each day. In topic we found out all about the countries which make up the United Kingdom and made maps to show the capital cities of each country. We were all very lucky to see the Year 6 show, it was fantastic.

English

We finished our new book 'The Snail and the Whale' and we have written poems, letters and diary entries, all in character as the snail. We are also making our very own snails using clay.

Spellings

1. she
2. said
3. he

Maths

In maths we have been revising money and we were coin detectives and shop keepers. The children are amazing with the coin recognition and are brilliant at making amounts using the coins. Let them be in charge the next time you go shopping and you'll see for yourselves!

Reading

This week we practised our reading comprehension skills and answered retrieval and inference questions. Please have a check at home and return any guided reading or library books you find. This the last call for book bags, these all need to be back in school to pass up to their next class teacher.

RHODES AVENUE PRIMARY SCHOOL

Home learning **12.07.19**

Phonics

On the school website you will find the 3 speed sets – you could use these to recap the sounds your child has already learnt. Your child could also look for their weekly sound in different places at home.

Please use the sounds above and encourage your child to read/ write words with these sounds in and put them into a sentence.

Things to remember.	
Friday 12 July 3pm	Infant choir
Tuesday 16 July	Trip to the seaside (see separate letter for details)
Friday 19 July	Last day of term (full day)

Have a lovely weekend, this is the last home learning letter of the year so please can we say a huge thank to you all your support over the year. The children have been amazing and we are so proud of all the progress they have made in their learning. We will miss them all and wish them all the best for Year 2. We hope you have a lovely holiday.

Meghan Grove, Joanne McGahon and Sophia Papworth.
