

PHYSICAL EDUCATION HEALTH CHECK

Each school buying back into the Haringey PE CPD programme is entitled to a half day health check. This might include:

- Observation of sports coaches
- Up skilling of class teachers
- PE Premium Accountability Measures (Action plans and impact statements for school websites including expectations for your Governing Body)
- Safe practice and risk assessment using the Association for Physical Education (AfPE) 2016 new documentation
- Preparing your subject leader for Ofsted
- Becoming a Health and Well-Being (Physical and Emotional Well-Being) promoting school
- Improving behaviour through quality active play at lunchtimes and breaks
- Developing effective learning through the use of IT in PE
- Active children and effective learning in the classroom

Please book a date with Kim or Jan by the end of the summer term 2019 for Autumn or Spring term 19/20.

Janhickmanhome@btinternet.com

To register your school for the CPD Package for 2019/2020, please contact Dave Thomas at Haringey Sports Development Trust. dave.a.thomas@blueyonder.co.uk.

The cost is £1,350.00 which includes unlimited access to the courses and the bespoke health check.

CPD FEEDBACK FROM TEACHERS/ TAs

Just a note to reflect on the gymnastics training. As a Year 2 teacher I found the training both relevant and inspiring. My class were used in the training and I think the best indicator was how much they enjoyed it (and how exhausted they were!). The training was about the flow of a lesson and how no child would ever be waiting their turn and perpetually be engaged. I was intrigued then inspired by its success. I have since used it in my own teaching and tutored my colleagues as well. Very impressed.
KS1 leader and Year 2 teacher

I would like to thank you for arranging the PE course. I found the trainers to be very motivating and informative. I came away feeling inspired and immediately arranged to practise what I had learned.
Teaching Assistant

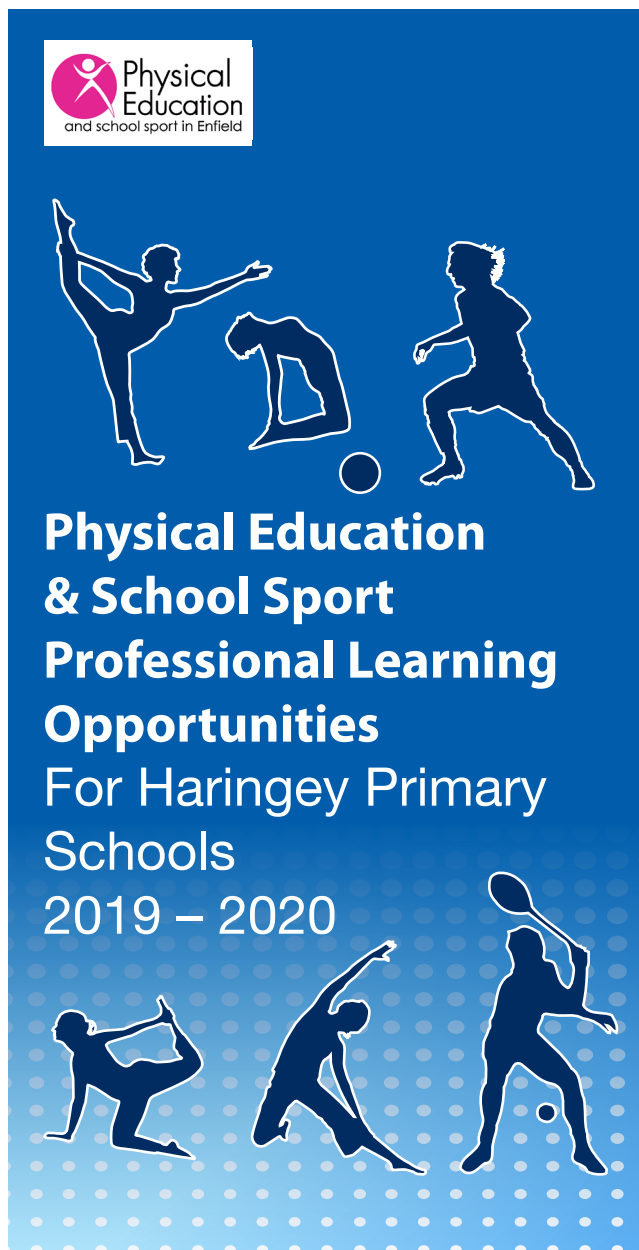

The PE course was very dynamic and effective. The practical sessions were full of new ideas and tips. She also explained the importance of a clear goal for the PE plan. I really enjoyed. I would like more courses to the EYFS. Thanks for giving me the opportunity.
Nursery Nurse

I would just like to say how inspiring the Haringey Physical Education CPD Programme was. I thought the clarity of instruction was exemplary, and I can absolutely see that it will inform and enhance teaching skills.
Year 1 Team Leader

I found the modelling of the gymnastics lesson useful in terms of seeing a real life lesson. It was good to see the different activities being modelled and how equipment could be set up at different angles. The leaders were very knowledgeable and were keen to answer any questions asked. It was useful to go on a PE course, not having had a previous course in this subject for quite a while.

HARINGEY PHYSICAL EDUCATION & SCHOOL SPORT CPD PROGRAMME 2019/20

This programme has been constructed by Jan Hickman (PE Adviser for Enfield) and Kim Henderson (PE Consultant and previously PE Advisor for Barnet) who have between them over 60 years of Physical Education advisory experience.

It is supported by the Enfield Physical Education Team, the Association for PE (afPE), Haringey School Games Organisers and Haringey Council.

One of the primary aims of the PE and Sport funding is to upskill the profession as it is recognized that some teachers lack the knowledge, understanding and confidence to deliver outstanding PE lessons.

This CPD programme has been designed to deliver the very best PE training for Haringey schools. Top trainers in their field are booked to return to the borough to deliver the highest quality professional development.

The cost remains the same as 2018/19 at £1350.

Please return the registration form titled 'Physical Education Professional Learning Opportunities' if your school would like to buy into this CPD package by the end of July 2019.

Mobile contact numbers for Jan and Kim are:
Jan Hickman 07961 994681
Kim Henderson 07803 131060
