

Subject Vision Statements

Safeguarding

Rhodes Avenue Primary is committed to safeguarding and promoting the welfare of children and young people. We believe that every child has the right to be included, happy, safe and to excel in all areas of learning and their surroundings.

PSHE – Citizenship – SMSC

We strive for all children to be the best that they can be and for them to understand their own rights and responsibilities in the world around them. We are committed to providing inclusive opportunities to allow children to pursue excellence, enjoy learning, be healthy and happy.

Aspire, Inspire, Motivate and Care

English

To unite all the elements of the English language to inspire confident, competent and creative writers and readers.

Maths

To create resilient and inspired Mathematicians who have the necessary tools to solve problems and communicate mathematically.

Science

To give children a science curriculum which enables them to confidently explore and discover the world around them so that they have a deeper understanding of the world they live in.

Design and Technology

To open the door to inspiration, creativity and innovation in every classroom.

Geography

To give children a firm foundation in the knowledge of their local community which leads to an understanding and empathy of the wider world and their place within it.

History

Children will develop critical thinking skills and have a genuine interest, enthusiasm and curiosity about history and how past events have shaped the world in which we live today.

Art and design

Children will develop creative and critical thinking skills and have the confidence, curiosity and enthusiasm to explore their art, each believing that they each possess the potential for great creativity.

Music

To engage and inspire all pupils to develop a love of music; creating passionate and confident musicians.

Physical Education

To nurture sporting passion through the learning of core skills and physical literacy, in order to achieve personal best, fostering team spirit and providing physical and mental well being and enabling all children to adopt a physically active lifestyle.

Computing

Children to be critical thinkers and resourceful, adaptive users of technology for the present and for the future.

Modern Foreign Languages

To foster pupils' curiosity and love of learning languages and discover and understand new cultures globally, whilst enriching their command of English and value their home languages.

Religious Education

To have awareness and respect for every uniqueness.

Mental Health

To provide a supportive environment that values staff mental health and wellbeing, understanding that all humans are happier, stronger and more resilient when they stand together. We stand together, never alone.

Outdoor Learning

To provide an inclusive learning environment which facilitates resilience, confidence and independence and promotes children's mental health and well being. To inspire green and sustainable practices.

Inclusion

All Aboard. Everyone able to take part in learning.

EYFS

To foster a love for learning where the children feel safe, seen, soothed and secure with a strong sense of belonging. We are committed to preparing them for future successes and making them school ready.
