

Bonjour les enfants ! Comment ça va ?

This week we have planned 2 fun French activities and a challenge for you to do during the week to recall how to say how you are in French using the [High Five website](#). Do you remember the dinosaur song?

Remember to always have parental supervision when you are on the internet.

If you can, don't do all the French activities in one go! It's better for your long-term memory that you practise French a few times a week.

Activity 1 : Lesson 3 - Comment ça va?

Watch the following video : [Lesson 3 - Comment ça va?](#) : Then practise the vocabulary learnt using the [activity sheet number 1](#).

Note: if you like you can use the [vocabulary list](#) to practise the vocabulary.

Activity 2 : Practice - Comment ça va?

Explore the podcast [lesson 3 – Comment ça va ?](#) and practise the vocabulary learnt using the activity [sheet number 2](#).

Challenge of the week:

This task will involve some scissors and glue! Take some magazines or newspapers and see if you can find photos of people who could say: ça va super bien! or ça va moyen, or even ça ne va pas.

Cut out faces and then draw speech bubbles and write how they're feeling using the new French phrases you know.

I hope you will enjoy the activities! Have a good week!
