

Bonjour les enfants des classes six !

semaine du 11 mai 2020

### **Main language learning platform: Languagenut**

A huge congratulations to Harry, Sophia, Darcy, Florence, Meredith and Mary for having already accessed our French learning games [www.languagenut.com](http://www.languagenut.com) ! I write a congratulations personal message within Languagenut to anybody who has started playing on it.

You should all have received from me a Username and Login [Languagenut](http://Languagenut), which with parental consent, you can install on your electronic device. On a computer, you can just access it on from a webserver, on a tablet or a phone, just download it as an app. Please note that on a phone, you will only be able to do the work assigned, not have access to the whole site. Instructions on how to login are provided in a separate document.

To give a cultural context to this vocabulary learning, you can watch Ben videos [Virtually there: France](#) that we enjoyed in class before.

### **Other language learning platform: Duolingo**

Congratulations to unicorn2019t and Super runner to have joined our Yr6 virtual classroom, which you can join following these instructions:

1. Sign into Duolingo (on the website).
2. Go to the settings page for your account.
3. Go to the progress sharing tab.
4. Type the classroom **Y P K V V M** code into the provided box.
5. Click join classroom

or copying this code in your server: <https://www.duolingo.com/o/ypkvvm>

Please remember that you can access all the French songs and stories we use in class on the [Rhodes Avenue Yr6 French Pinterest](#) board and here are all of the school's French Resources including some film recommendation

To share your learning with me, write me "un message" or ask me any questions, please email [french@rhodes.haringey.sch.uk](mailto:french@rhodes.haringey.sch.uk)

Bonne semaine,
