Chers enfants et parents des classes des années 3, 4 et 5,

We hope that you and your family are well and have been able to enjoy the sunshine. We would like to invite your child to explore independently a fun French language learning website called [www.languagenut.com](http://www.languagenut.com), where weekly assignments will be sent.

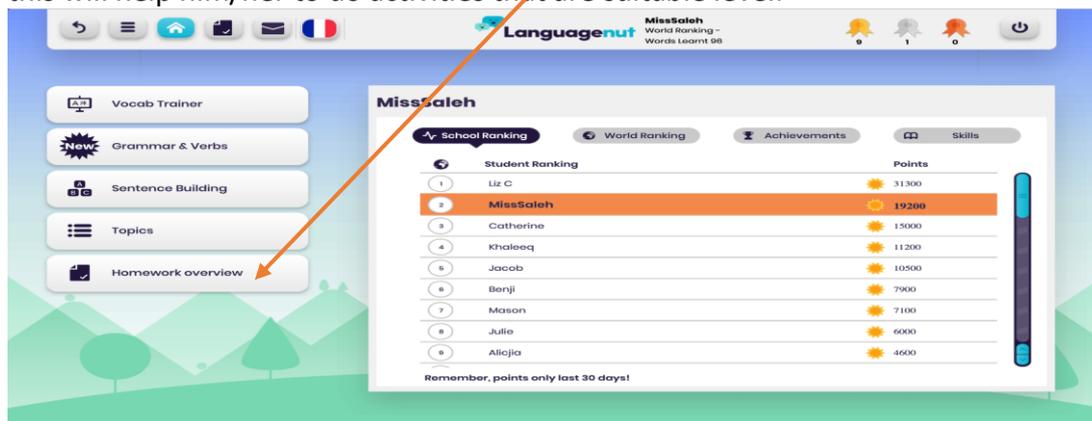

To log in, click on **login**.

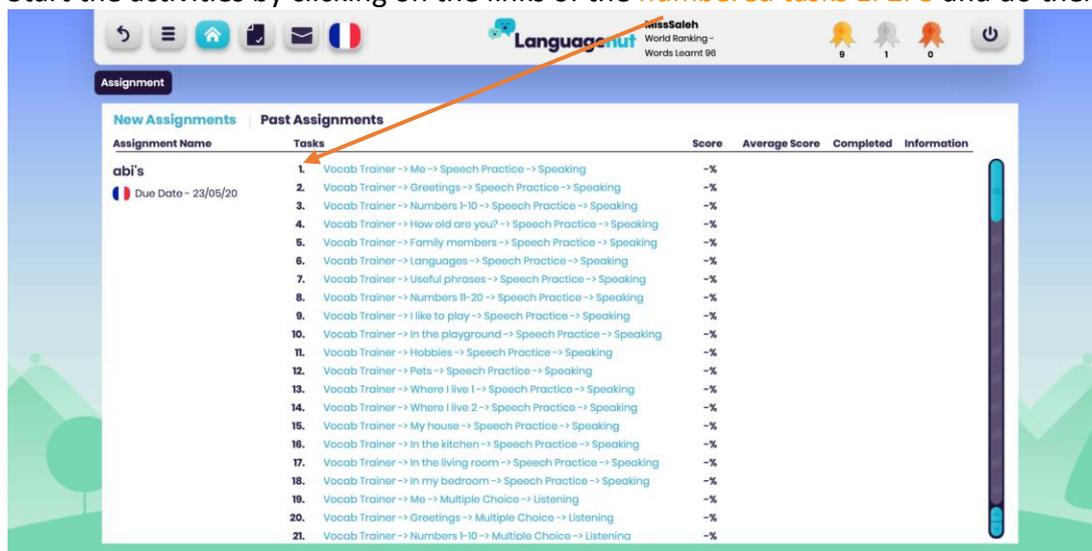

Then please enter the **Username**: xxxxx (child's first name given in the email) and this **Password** xxxxxx (given in the email) then click **Login**.

Please guide your child to go to the **Homework Overview** first, where the weekly assignments are set as this will help him/her to do activities that are suitable level.

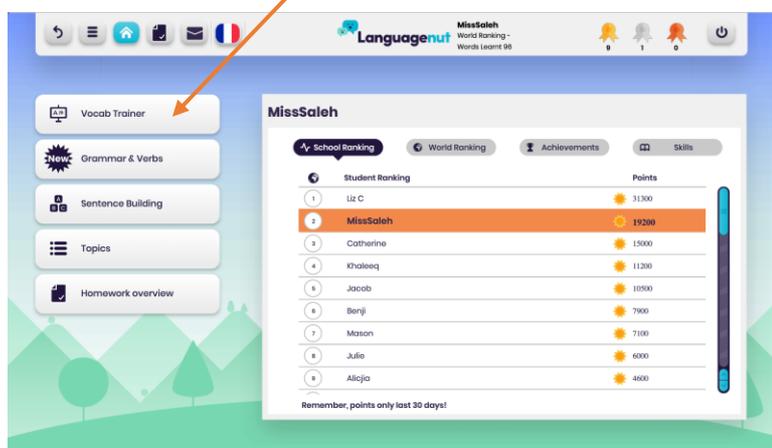

Start the activities by clicking on the links of the **numbered tasks 1. 2. 3** and do them in order.

Once enrolled, we will be able to view your progress and set you more assignments. When you have completed the assignment, you can explore the rest of the site by choosing the **topic** you would like to learn about and order of the **topics** as they are going up in difficulty of levels 1-4.

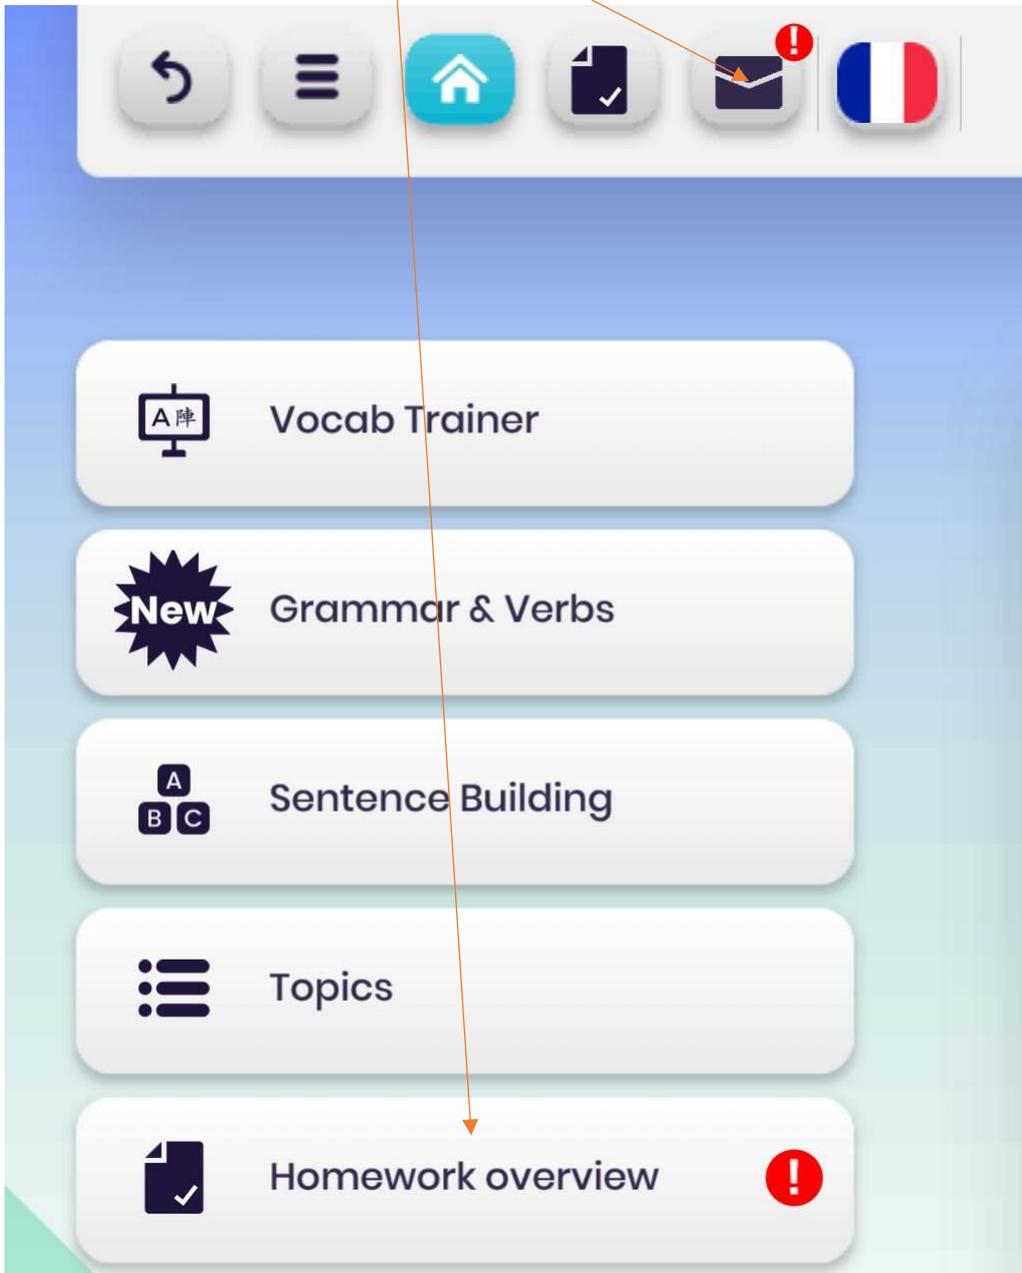

Don't do it all in one go!!!

Remember, for the vocabulary to be stored in your long term memory, it is best to do a little, but often, preferably daily.

Please notice the explanation marks in the red bubble:

- The one by the **envelope** tells you that we have written a message to you.
- The one by **Homework Overview** is to tell you that you still have some homework to do that has been set.

The French team welcomes any messages and feedback at all times and would love to receive any work and recordings done by our pupils directly to [french@rhodes.haringey.sch.uk](mailto:french@rhodes.haringey.sch.uk). Messages will be replied to by the end of the same week.

Enjoy learning on this digital platform!

Salut, au revoir, à bientôt,  
Amicalement, Nadine Chadier et Adeline Grégoire
