

Digital Language Resources for Primary & Secondary Schools

**Main language learning platform: Languagenut**

I am so proud of the pupils (more than 30% of you) who are regularly learning French whilst playing games on [www.languagenut.com](http://www.languagenut.com). Rhodes Avenue pupils have now collected over 700 medals and the competition is going to be fiercer as all of KS2 is invited onto the platform this week. Can't wait to write you all individual messages on languagenut congratulating you about your progress!

You all have received from me a Username and Login [Languagenut](#), sent to your lgflmail address. After asking your parents for consent, you can access this digital learning website on your electronic device. On a computer, you can just access it on from a webserver, on a tablet or a phone, just download it as an app. Please note that on a phone, you will only be able to do the work assigned, not have access to the whole site. Instructions on how to login have also been provided in the email. Please don't hesitate to write to me to get your logins and I will make sure that all Yr6 pods leads have the lists too.

To carry on giving a cultural context to this vocabulary learning, you can watch Ben videos [Virtually there: France](#) that we enjoyed in class before.

Please remember that you can access all the French songs and stories we use in class on the [Rhodes Avenue Yr6 French Pinterest](#) board and here are all of the school's French Resources including some film recommendation

To share your learning with me, write me "un message" or ask me any questions, please email [french@rhodes.haringey.sch.uk](mailto:french@rhodes.haringey.sch.uk).

Bonne semaine, Nadine Chadier
