

## RHODES AVENUE - AUTUMN TERM 2020

# NEW AFTER SCHOOL FOOTBALL CLUBS!

RHODES AVENUE  
PRIMARY SCHOOL

### ACCESSIBLE

Courses are for boys and girls, regardless of ability and previous playing experience.

### STRUCTURED

We run structured and nationally recognised coaching sessions that follow the FA technical guide for young player development.

### SAFE

Children participating in sport must do so in a safe and secure environment. All coaches are insured, FA qualified, DBS checked and trained in emergency aid.

### VALUE

The course cost is only £99 for the duration of term. All courses also come with a 100% no-quibble money-back guarantee. Love us or your money back!

Fantastic news! The London Football Academy are delighted to announce details of new after schools club taking place at Rhodes Avenue School during the autumn term.

We will also be launching our new Tag-Rugby clubs!

Watching the very youngest players play the game at grassroots level seems a world away from the game played by the senior players in the elite game.

However, our vision of developing technically excellent and creative players starts with one of our after school clubs - the best introduction to the world's greatest games!

Here at The Academy we create fun coaching environments that encourage your child to develop their technique, skill, creativity and game understanding. After school clubs are also a great place to make new friends.

To enjoy the game, children need coaches who are brave enough to encourage expression without a fear of failure, and who also have knowledge of the variety of coaching methods that can be adopted to help your child learn the game. Here at The Academy we do. We know how.

**Places are strictly limited & booked on a first-come-first-served basis.**
