

Reception Home Learning – Week beginning 3rd January, 2022

This week:

Happy New Year! It was lovely to see all of the children back after the Christmas break. They were all very eager to share with us what they had done over the holidays and what presents they had received.

This week we went over our rules and routines to remind the children of the expectations in school. Our topic for this half term is 'Amazing Changes', we have introduced our big question – 'Does everything change in the same way?'

We have also welcomed Kirsty who will be covering Laura in Robin class whilst she is on maternity leave.

Parents' Information:

Please be reminded that your child should have a spare clothes bag with suitable clothes for the season available for them at school. Some children prefer to have their own clothes instead of wearing the school spares, so please ensure your child's bag is at school. Please ensure that all items are labelled with your child's name.

Sharing a Story

Sharing a story daily enhances your child's learning immensely. We ask that when you are reading a story, maybe before bedtime, that you ask questions about the text, e.g. How is the character feeling?; Can you think of a different ending to the story?; Are there any clues in the pictures?; etc. This helps children to understand the story and it develops comprehension and language skills.

Something to do

Gross Motor Skills

In preparation for our PE sessions this half term, please practise throwing a soft object such as a ball, bean bag etc. For example, throwing up in the air and landing at their feet or throwing into a hoop or a bucket as a target.
