

Prepositional Openers

Prepositional Openers to Show Location

Above the mountains,

Behind the sofa,

Below the clouds,

Beside my best friend,

Between the land and the sea,

By the road,

In the classroom,

Inside his mind,

Near to the danger,

On the path,

Over the fields,

Through the dense forest,

Prepositional Openers to Show Time

After breakfast,

Before sunset,

By the evening,

During the visit,

From sunrise,

On Tuesday,

Past six o'clock,

Since yesterday,

Through the night,

Until next month,

On the hour,

Prepositional Openers to Show Movement

Against the strong wind,

Along the riverbank,

Down the street,

From another country,

Into the open,

Off the bus,

On the floor,

Onto the platform,

Out of nowhere,

Through the tunnel,

Towards the noise,

Up the stairs,
