

DRAWING CLUB FOR CHILDREN

YEAR 6 WEDNESDAYS. YEAR 5 THURSDAYS

Rhodes Avenue Primary School. One hour straight after school. £13 per session.

Payable in advance for full term. A3 sketch pad and all materials included.

We have fun whilst learning to observe, explore line and mark making, think about proportion, look at light, shade and tone, consider composition and explore perspective... skills I believe help discover potential, build confidence and make drawing a joy.

I'm a local Artist and Graphic Designer with my own business. I have loved drawing since I could hold a crayon and enjoy passing what I have learnt over the years on to new young budding artists or children who just want to have fun drawing.

Look at some of our work on instagram @brigitteherroddrawingclasses

Book early to avoid disappointment as class is only 10 pupils.
