

LE CLUB FRANÇAIS **Fun French for Children**

Would your child like to practise their *French* in a friendly and informal AFTER SCHOOL Club?

Le Club Français has a **fun** approach to developing linguistic skills, introducing the children to the language and culture of France through games, stories and songs. We aim to develop their understanding and conversational skills through various games and role-play situations and to encourage a positive and open attitude to learning languages in general.

In schools where French is taught in the curriculum, we give the children the opportunity to practise their French in a smaller setting and provide fun and stimulating activities that complement their learning.

A new after school Club will start at Rhodes in September 2023
