***Tuesday's*** club is led by Jacqueline, an experienced artist-illustrator and mother of two at Rhodes Avenue. Jacqueline has been working with year 5 at Rhodes and made some wonderful artwork with them. Zehra, also a much-loved TA in the younger years, will be assisting Jacqueline.

Rosie will be leading **Wednesday's** club for year 4 to 6 as well as overseeing all the clubs and occasionally stepping in to lead. Rosie is art specialist teacher and subject leader for art at Rhodes Avenue. She also runs the Haringey art teacher network, trains teachers in art and is currently qualifying as a child counsellor using the arts.

**Friday's** club is led by Melonie, an experienced primary school teacher and designer maker and Lola, a history of art graduate and Year 2 teaching assistant at Rhodes Avenue Primary school. Assisting this club is Amelia, a photography A-level student at Alexandra Park School.

**Art Avenger Art clubs believe in the power of creativity to support children's learning and curiosity, develop a positive sense of self and empower social skills through making. Our projects are not just about creating beautiful things but also developing an appreciation and appetite for the journey that leads us there.**
