

English

In English this week, the children independently wrote a newspaper report based on the events in our book, combining all of the reporting skills they have been developing. Next week, they will write a non-fiction text to explain what they have learned about Christianity.

Maths

This week, the children continued their work on multiplication and used the column method to solve problems. The following Power Maths pages offer opportunities to practise this:

Book A: Unit 4 – pages on multiplication

Book B: pages 21-26

Shows

Thank you for coming to watch Year 3 perform in *Oliver!* and for your support with lyrics-learning and costume preparation.

Library Books

Please may any school library books be returned before the Christmas holidays. We will let the children know which books are outstanding.

Below are the arrangements for PE, Forest School and art lessons in Spring 1:

PE Days:

3EL – Tuesday and Friday

3EB - Tuesday

3JC – Thursday (PPA)

Spring 1 Specialist Teaching (Thursday PM)

3EB: Forest School

3JC: PE

3EL: Art

Have a lovely weekend,
The Year 3 Team
