

Spring One Home Learning Project

This term, we are looking at different aspects of North America.

For this term's topic, you may choose from the following options:

1. Pick a recipe from an American State and make it at home. Here is a site that you can use:

<https://www.allrecipes.com/recipes/17425/us-recipes/us-recipes-by-state/>

Pecan Pie from Missouri

Grilled pineapples from Dallas

Either bring in a sample of the food, or take some photos of the finished product.

2. Create a presentation about the human and physical

features of a state of your choice.

Consider:

Population

Important industries

Plants and animals

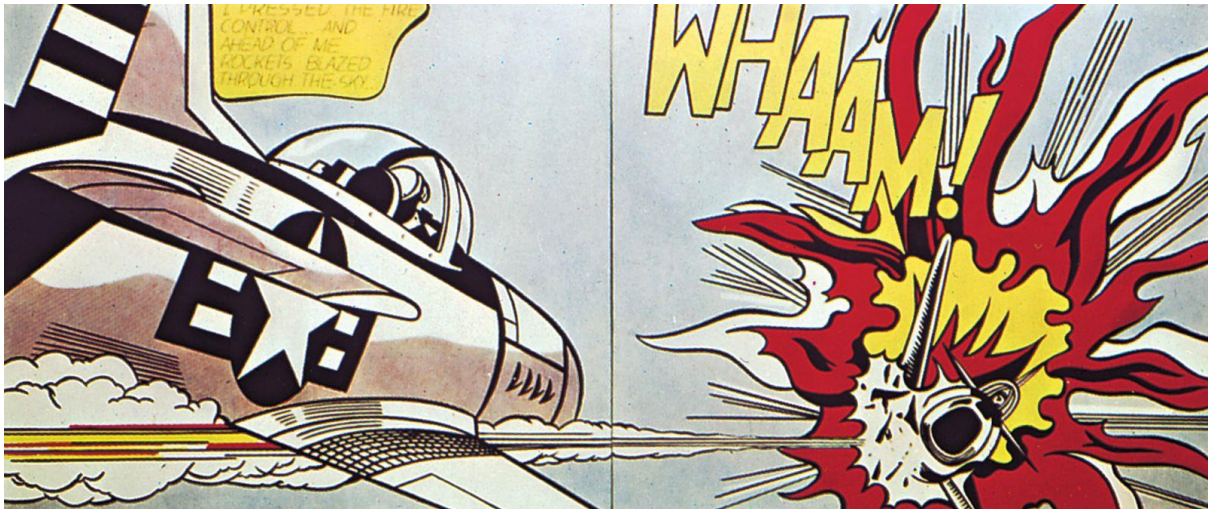

Climate, biome and landscape

Major cities

Please bring the presentation into school and share it with the class

3. Choose an American artist and create a piece of work in style of the artist

Roy Lichtenstein

Andy Warhol

Jacob Lawrence

Jon Nieto

Please bring in the finished picture or a photo of it.
