

## GUIDELINES FOR PSA CLASS WHATSAPP GROUPS 2024-25

### PSA Class WhatsApp Groups

- PSA Class Reps set up WhatsApp groups to communicate PSA information with parents in their class
- The PSA will advertise events via WhatsApp and send brief reminders about PSA events and activities
- If photos are shared in the group, please do not share them outside of the group or on social media
- Please do not share phone numbers or other personal details of members of the group without securing permission first
- If a parent in the group is also a member of staff, please interact with them as a parent and not for any school-related issues.
- Parent WhatsApp groups are not the responsibility of the school or its staff
- Parent WhatsApp groups are not a school channel of communication
- If you need to speak to the school with an issue or query, please contact the school office on [reception@rhodesavenue.org.uk](mailto:reception@rhodesavenue.org.uk) so that it can be forwarded to the appropriate member of staff
- Parents are not obliged to join the PSA Class WhatsApp or share their details with parents in the class if they prefer not to
- **Please ensure that your Class WhatsApp is used respectfully**

**Thank you for your support with the above**
